

Kemptville Players Inc.

Que Sheet July 2013

With a rather slow July come and gone, here is the latest and greatest that has happened in the last few weeks:

- Many thanks to Derrick VanderMeer, Leah Dorion, Paul Rochon and Lee Gaw for clearing out our storage area. Thanks for all the hard work, the use of the trailers for hauling away the garbage, and for just being the super supportive people that KPI needs!
- Richard Pickard provided the executive with a comprehensive Treasurer's Report at our executive meeting. The executive went over all the details, and found everything in order.
- Lee Gaw is contacting Chris Reinkeulers to get some input regarding the lights we have stored.
- We have entered a play in the EODL, to be directed by Lee Gaw, and are waiting to see if it is accepted.
- Auditions are to be held for this sometime in August – stay tuned for more details.
- Theresa McCaig has accepted a position on the Executive as a Member-At-Large. The position of Vice-President remains open.
