Get yourself into this hilarious, fast-paced farce filled with mistaken identities, outrageous excuses, unexpected revelations and one increasingly chaotic hospital! It Runs in the Family is classic Ray Cooney comedy, set in a hospital where everything is supposed to be professional and orderly – but quickly spirals into complete mayhem. When Dr. David Mortimore is preparing to deliver an important lecture, an unexpected visitor from his past turns his carefully organised world upside down. A shocking revelation sets off a chain of lies, cover-ups and increasingly ridiculous situations, as David desperately tries to keep everyone in the dark and his reputation intact.
